## **Track 2: LPN-RN Transition Students**

Admissions requirements for the LPN to RN nursing program are the same as the regular program with the following exceptions:

1. Applicants must have a current LPN license. PN students are allowed to apply to the nursing program prior to successful completion of the NCLEX PN but must show proof of application for NCLEX PN with the state and Pearson VUE. Students who are unable to test or are unsuccessful with the NCLEX PN may not progress into the NSG 115 course.
2. Applicants must have graduated from an LPN program within the last 3 years or provide documentation of 1 year (2000 hours) of full-time LPN work experience in direct patient care during the past three years with written verification from employer at the time of application.
3. Applicants must complete all prerequisite courses (SDV 100, PSY 230, ENG 111, BIO 141, BIO 142, BIO 150 and MTH 133) prior to beginning the NSG courses. These must be completed with a C or better and with a 2.5 GPA by May 15th or students may not progress into the NSG 115 course. Additional required general education courses can be completed after enrolling in the program.
