

**2021-2022 Higher Education Emergency Relief Fund (HEERF)
Student Application Form**

The Emergency Stabilization Fund created under CRRSAA, is reserved for current students that need assistance with expenses related to the disruption of campus operations due to coronavirus. Eligible expenses include course materials and technology requirements needed for the transition to on-line instruction, and food insecurity due to shut down of College food pantry. In addition, disruption may include a program term extension allowing extra time for you to complete your course-required labs and clinicals.

Funds are limited to students who are eligible to participate in federally funded financial aid programs. Completing your (FAFSA) Free Application for Federal Student Aid assists your college in determining your eligibility.

*To apply for these funds, complete the form and submit as soon as possible to avoid a delay in processing your request. If you need help, contact your local Financial Aid Office. **Please note: Completion of this request is not a guarantee of funding.***
